AREAS OF EXPERTISE

- As a computer student, I focus my studies on web development.

ACADEMIC RECORD

UERJ - RIO DE JANEIRO STATE UNIVERSITY

PROFESSIONAL HISTORY

DEVELOPMENT INTERN

LATIC - UERJ | DECEMBER 2018 - DECEMBER 2020

- Development of mobile applications for virtual reality
- I developed a virtual reality application for Rui Barbosa Museum with assistance of the Unity platform
- Front-end development of web pages

PERSONAL PROJECT

STORED ON GITHUB

In parallel to my academic studies, I develop front and back end applications. For this, I use the following resources:

- HTML, CSS
- JavaScript
- BootStrap
- ReactJS
- GIT
- Java
- NodeJS
